

CS 440 Meeting Minutes

Group: 31 Date: 3/12/22 Time: 10:30pm Duration: 0.5hrs

Present, on time: Edward Plesa, Ryan Jasiak, Beyza Soylu, Abel Abraham

Present, not on time: N/A

Absent: N/A

Synopsis: This week's meeting minutes were light due to the midterms we each had going on. Mainly just discussing working on the development project sections and future plans for the coding project.

Recent Individual Accomplishments:

Ryan: Making the connection between the keyboard GUI and the physical keyboard rock solid, and studied for the midterm

Abel: Did a quick overview and debriefing on recent work completed by teammates and myself, gauging overall progress. Worked on dev project writeup, studied for midterm.

Beyza: Studied for midterms :(

Edward: Studied/finished midterms.

Current Individual Activities:

Ryan: Finalize design pattern for note grid with team

Beyza: Continue work on coding and dev project backlog

Edward: Continue working on development/coding projects.

Abel: Continue working on part 2 for the dev project write up & coding project backlog.

Individual Action Items:

Ryan: Meet with Abel to discuss the specifics of the piano key sliding mechanism and finalize implementation

Beyza: Write dev project sections, try to make smoother piano animations

Edward: Continue implementing the login system for the coding project. Work on finishing the development project sections.

Abel: Meet with Ryan to discuss specific implementations for the coding project, finishing part 2 write up for the development project.
