

CS 440 Meeting Minutes

Group: 31 Date: 4/16/22 - 4/17/22 Time: 10:00 - 11:00 Duration: 1hrs

Present, on time: Edward Plesa, Ryan Jasiak, Beyza Soylu, Abel Abraham

Present, not on time: N/A

Absent: N/A

Synopsis: This week's minutes were used mainly to talk about how the coding project presentation as well as the report are going and what topics we would need to show for the presentation.

Recent Individual Accomplishments:

Ryan: Added timing mechanisms to midi keyboard input, working on coding project presentation with team

Abel: Work on the polish of the coding project UI regarding resizing.

Beyza: Finished working on the tile alignment for the coding project.

Edward: Worked on coding project presentation with the team.

Current Individual Activities:

Ryan: Deliver coding project presentation

Beyza: Figure out how to make falling notes align with all the keys on the keyboard, including the black ones.

Edward: Continue working on the coding project report as well as finishing the testing and inspection of the group's code.

Abel: Work on sections of the coding and dev project report.

Individual Action Items:

Ryan: Practice my part of the coding project presentation. Work on my part of development project

Beyza: Work with Abel on aligning falling notes with the piano keys and inspecting code.

Edward: Work on both the coding and development project reports. Practice for presentation Monday - Friday.

Abel: Work on coding project presentation, report, and dev project.
